

MERCIFUL LIKE THE FATHER

*Based on:
Luke 6:36
Misericordiae Vultus*

Verse 1

Can you hear the voice that's calling
Reaching into your heart
To your brokenness to your weakness
To the pain that has torn you apart

There is nothing that holds you back now
From the love of God
With great tenderness and compassion
Forgiveness will bring a new start

Show us your mercy Lord
You're calling us to be

Chorus

**Merciful like the Father
See the face of God through his Son
Merciful like the Father
Healing the world with love**

Verse 2

For the rejected and forsaken
For the lost and the poor
Everything that this world has taken
Left you hungry and thirsting for more

Come and feel the Father's embrace
Wrapped within in his arms
Feel the power of love in this place
God's mercy is here for us all

Show us your mercy Lord
You're calling us to be
